*"Going to Sicily is better than going to the moon."
Gabriel García Márquez*

All my life Sicily has fascinated me. My father is Sicilian and I spent almost every year of my childhood visiting my Sicilian family, and experiencing the Sicilian way of life. I fell in love with the land, its people, the cuisine and the culture.

With over 30 years of culinary experience, my unique Food Tours focus on old fashioned hospitality, quality, affordable luxury and personalised service. Above all my food tours are created for the traveller who wants to pack a bag and book a ticket. Everything has been taken care of for you.

With small groups up to 10 people, bespoke itineraries, luxury accommodation and your own private chef and local guide, my Food Tours are definitely the best for value and experience offering something different for all travel lovers, solo, couples, young and old.

Best of all, for your personal comfort there is no twin sharing unless requested, rooms are all private, fully serviced and with your own ensuite.

The Aeolian Islands, located off the coast of northeastern Sicily, are one of southern Italy's greatest natural and cultural treasures. Formed by volcanic eruptions over time, the archipelago is made up of seven islands – Lipari, Vulcano, Salina, Panarea, Stromboli, Filicudi and Alicudi – They all sound like a poetic rhyme. Just like their beautiful names suggest, the islands will captivate you in many different ways. Each island offering an astounding contrast in landscape, colours, lifestyle and cuisine. In addition, the nightlife, shopping and relaxation are all very unique.

Staying in a family run, bespoke Island resort with ancient Greek inspired thermal spa, mineral baths and Wellness centre. We base ourselves on the Island of Salina. Salina is considered by many to be the prettiest island in the archipelago. With two twin peaks, verdant valleys and charming towns It is known as the "Isola Verde" (the green island) and boasts a number of vineyards that produce sweet Malvasia dessert wine. Studded with citrus trees, olives and caper plants much of the cuisine on the island comes from Salina itself with specialty foods coming from the remainder 6 islands and some from the mainland. During this tour we explore the natural reserve that is the island and its famous picturesque villages such as Pollara, Malfa and Santa Marina. Pollara is most noteworthy for its appearance in the beautiful Italian movie "Il Postino". We take a tour to Lipari Island, the largest of the islands. It accommodates a busy centre full of gorgeous restaurants and bespoke artisan shops. Lipari is also a sought after destination for archaeology lovers.

In our private guided Aeolian Islands tour, through our cooking class, food tastings, boat tour you will see first-hand what the islands have to offer.

Most of all, the islands are an extraordinary and breathtaking destination. They have attracted travellers worldwide ever since the times of classical mythology. Our restaurants, dining experiences, hotels and activities are hand selected by myself to give you a taste of the true Aeolian culture. We meet local characters, slow food producers and passionate chefs who like all Sicilians will embrace you with their love of their homeland.

Expect to eat and drink your way through this unique island cuisine, connect with authentic people and enjoy some of the best culinary and cultural experiences. If you desire something more out of your travel itinerary then come on an Aeolian adventure with me as we explore these beautiful Islands. See you in Sicily !

Salina & The Aeolian Islands

Day 1 – Salina Island

We meet you early at your hotel reception then board our transfer bound for the stunning Aeolian Island of Salina, stopping for a typical Sicilian lunch “on the move”. For Italian movie buffs, you will have the chance to see the house where Italian actor Massimo Troisi from “Il Postino” brought Salina to the world. Arriving on Salina Island you will feel instantly relaxed as you are escorted into your beautiful room in our resort in the small town of Malfa. Traditionally built to suit island life, the whitewash walls and lush gardens with sea views are a picture-perfect postcard of rest and relaxation. After check-in, we enjoy a dinner in the resort’s restaurant with one of Sicily’s most talented Michelin star female chefs. Overnight in Malfa (B/D)

Day 2 – Cooking on Salina

With a relaxing start to the day, we dine on a delicious buffet breakfast Salina style then ease into our morning cooking class at our hotel which includes an alfresco lunch overlooking the Aeolian Islands. The rest of the day is free for you to continue enjoying this little piece of paradise. Hire a fiat, vespa or three-wheel ape and cruise around the island, or simply relax at the resort with herbal, all natural massages and treatments, floating around in the Greek like thermal and mineral pools. You can also take the bus to Lingua a seaside town on Salina, to enjoy one of the islands best granitas and the traditional Pane Cunuzata, a toasted flat bread loaded with delicacies from the island. Overnight in Malfa (B/L)

Day 3 – Boat tour and visit to Lipari

Today we take you by private boat to discover the beauty Salina and Lipari Islands. We give you free time to wander and explore Lipari taking in the unique, boutiques, cobbled streets and great island life. We finish the tour with a panoramic sea view around Salina itself, all while enjoying a relaxing late lunch on board. Your evening is free in Malfa. Overnight stay in Malfa (B/L)

Day 4 – Salina

Today is completely yours to do what ever you like. Feel free to rest and relax pool side at the hotel, book in for an incredible treatment and spa at the Hotel Spa. Take the local bus for a hop on hop off adventure, hire a vespa or little car to do some travelling across the island or book a whole day boat trip and laze the day away on the turquoise waters. We meet in the afternoon to drive to Pollara to watch the sunset, enjoy an aperitive with local Malvasia wines, a delicious tasting of local capers and finish with dinner sampling some of the islands freshest catch of the day. (B/D)

“Sicily is more beautiful than any woman.”
Truman Capote

Day 6 Palermo

Today we give you a free day to explore Palermo city, you can either join us and our guide to further explore some of the lesser known but fascinating sites or wander off on your own. Catch a glimpse of authentic Sicilian life and head to one of Palermo's street markets. The three main ones are Vucceria, Capo and Ballaro markets, the latter being the biggest and busiest of them all, right in the centre of Palermo, you'll find the gigantic Massimo Theatre, the third-largest opera house in Europe and the most impressive building in the city, you can book a theatre tour, a ticket for a show or just wander the exterior taking a view inside at their latest exhibition. TRAVEL WITH DOMINIQUE RIZZO TO EXPERIENCE THE BEST

Menus' selected restaurants and dining experiences are hand chosen to give you a variety of tastes and flavours allowing you to experience foods from the land, sea, city and mountain. We consciously include zero kilometre venues and restaurants with Slow Food accolades who support sustainability, preservation of tradition and local produce.

Our 4 & 5 star Hotels, Resorts and country style accommodation is also personally selected for not only its quality, but also its location, services, hospitality and the relationships we have built up over the years. We want to ensure you are not only very comfortable and relaxed but you also get to experience all aspects of a regions terrain and lifestyle.

Our guides are personally selected for their knowledge of the regions, their spoken English and their humour. This ensures you enjoy informative, interesting and fun guided tours. We do when necessary use whispers or small group microphones to ensure you can wander at your own pace without missing out on understanding the history and unique aspects of each area we visit.

We are not about racing you around the country. We prefer to stay in each of the accommodation for a minimum of 2 -4 nights giving you an opportunity to unpack and settle in.

Moderate walking is involved on guided tours, we can certainly accommodate people who are a little slower on their feet. Luggage services are available to assist with retrieving luggage off and on our bus and to and from the hotels/rooms if required.

The places we visit do include some of the main tourist sites of a region. Although unique to Dominique Rizzo Tours are the sights and activities that are personally booked for these tours alone. You will not find these on any other Tour.

We include everything! Even days and evenings off from the tour for you to relax on your own or to further explore a destination. There are no hidden costs or payments that are further required to complete the full itinerary. You are welcome to opt out of any of the activities to do your own thing, although we have selected each of the activities to give you an opportunity to see, do and taste as much of Sicily as possible with siesta time in-between.

Our tours suit couples, solo travelers and people of all ages. Our tours are privately booked with a minimum of 10 and maximum of 12 guests so that you get personalised attention, comfort when travelling and opportunity to visit boutique establishments, restaurants, and unique venues not suitable for large number tours.

We can certainly cater for dietary intolerances and can accommodate coeliac, dairy free, vegans and vegetarians. This is not just a cooking tour, although our cooking classes are for everyone from the novice cook to the budding chef and are fun and informative giving you an opportunity to pick up some new skills and learn about the cuisine.

Sharing The Love of Food

Best quality of food...loved every minute of it"
 To experience Dominique's Food Tour is to experience Sicily at its best, from the best quality of food, amazing lunches at Acireale with luscious figs wrapped in smoked salmon, and tasting delicious olives, cheese, salami and bread for lunch in the olive grove. It wasn't just the food that was amazing, there was the experience of the fish market in Catania, the boat trip around the Aeolian Islands topped off with Stromboli erupting. We loved every minute of it and learnt so much about Sicily from Dom and Gian Luca, the guide.

"A true holiday...more than a taste, an absolute feast"

The promotional material for the Western Sicily Food and Wine Cooking Tour, as usual, promised a wonderful experience. We, however, were treated to so much more than we could ever imagine and it was far beyond our wildest expectations. The exceptional planning and execution of the tour made for a most memorable time. The tour, fully escorted by Dominique Rizzo and her capable and friendly team, left us wanting for nothing. The diversity and quality of the food, drinks, accommodation and places of interest were superb. A true holiday! More than a taste – an absolute feast! Well, what a wonderful tour we had with Dom. It exceeded all our expectations and fulfilled our dreams.

"Very hard for us to top that holiday!"
 Our cooking is progressing really well - a big improvement in confidence level since our classes in Sicily. We have repeated the chicken dish we cooked during your class and it is now a regular. Also working through the cookbook and I did a very small dinner party for my sister and husband for their 40th wedding anniversary last week. I tackled the potato cake which was fun to cook and actually looked great along with the zucchini carpaccio and Sicilian-style steak. Best wishes for your ventures and adventures and thank you for orchestrating the wonderful time we had on our trip in July. It will be very hard for us to top that holiday!

Words cannot describe the amazing experience we had. An all-expense paid holiday seeing the most amazing sights and history and FOOD, FOOD, FOOD! My goodness, I have never eaten and drank so much food and wine, all whilst sitting in the most beautiful environments. It was something we will never forget.
